Learn to Skate

A six week program for skaters of all levels! The main goal is to improve upon fundamental skating skills in a physical and fun environment. A student/instructor ratio of 1:8. Recommended for children ages 4+.

DATES: Fridays! January 13 - February 17
TIMES: 2:30-3pm / 3-3:30pm / 3:30-4pm

Learn to Figure

This six week program is designed for skaters who have achieved basic skating skills and would like to be introduced to the sport of Figure Skating. Skaters will be introduced to and receive instruction in stroking, field movements, jumping, spinning and footwork.

DATES: Fridays! January 13 - February 17
TIMES: 3-3:30pm

Adult Learn to Skate

Our six week Adult Learn to Skate program is designed to teach adults of all ages the basic skills of skating or improve on the old ones they have already mastered. A fun program which enhances a healthy and active lifestyle.

DATES: Fridays! January 13 - February 17
TIMES: 3:30-4pm

Parent & Child

A six week game centred approach to skating for children with little or no on-ice experience. The main goal is to overcome skater apprehension and achieve balance, forward movement and fun! Parent/guardian participation is preferred (skates are optional). Recommended for children ages 3-5 years.

DATES: Fridays! January 13 - February 17
TIMES: 2:30-3pm

Power Skate - \$110

This six week program is designed to improve hockey and ringette players' skating skills by refining their skating techniques and then focusing on speed, power, agility, coordination and endurance.

DATES: Fridays! January 13 - February 17
TIMES: 4-4:45pm
